This portable personal mini-fridge keeps your food or drinks cold. You can easily store 6 standard-sized drink cans of 33 cl. The removable shelf makes it possible to store also small items like yoghurt, fruit, milk or a smoothie. The compact and space saving design allows you to place it into tight places at home, in your study or at your office. Due to its lightweight and the carrying handle it makes it easy to take with you on the go. Cold drinks will stay cold for several hours after the portable fridge has been turned off.

Two power cables are included for both standard wall outlets and 12V cigarette lighters for use in cars.
