SmartLife LED Strip

Wi-Fi | Multi Colour | 5.00 m | IP65 | 2700 K | 960 lm | Android™ / IOS

Brand: Nedis | Article number: WIFILS51CRGB | Product EAN number: 5412810335060

Inner Carton EAN: | Outer Carton EAN: 5412810382224

Use this LED strip to set the mood in any room. Control the brightness, colour, or set a static or moving multicolour pattern in the Nedis SmartLife application. Set schedules or automations or use your voice to control this LED strip together with all other Nedis SmartLife products.

The LED strip is suitable for indoor use. The double-sided adhesive (3M) is already placed for easy installation on any clean and flat surface. Its 5 metre length can be shortened or extended with similar LED strips for endless possibilities.

You can also create smart scenarios in an instant by pairing this LED Strip to other products from the Nedis SmartLife range.

Features

- Connects directly to your router using Wi-Fi, so no separate hub required
- Free selection of millions of colours as well as moving multicolour patterns.
- The strip can be shortened to the desired length
- Double sided adhesive (3M) already placed for easy installation
- Use the Nedis® SmartLife app to set timings for switching on/off automatically
- Works as stand-alone smart light - or pair it with other SmartLife products to create an entire smart home
