Wi-Fi | Multi Colour | SMD | 5.00 m | IP65 | 2700 K | 480 lm | Android™ / IOS

Brand: Nedis | Article number: WIFILN51CRGB | Product EAN number: 5412810335084
Inner Carton EAN: | Outer Carton EAN: 5412810382187

Nedis.com

This neon-style LED strip can be used both indoor and outdoor thanks to the fully waterproof housing and the outdoor (IP44) power adapter. Unlike other LED strips, no individual LEDs are visible. Instead, it will show one continuous stripe of light in any colour you prefer.

Connect it directly to your home Wi-Fi using the free Nedis SmartLife app and control the colour, brightness, or setup multicolour patterns in the application from wherever you are.

Set schedules, automations, or use your voice to control (works with Google Home or Amazon Alexa) this LED strip together with all other Nedis SmartLife products.
