Nedis.com

This Nedis rice cooker with stainless steel housing allows you to cook the most delicious rice in no time. You do not have to worry about overcooking the rice anymore, because it will automatically switch to the keep warm function once the rice is cooked.

The rice cooker has a capacity of 1 litre and 400 Watt power with which you can prepare up to 5 portions of rice at the same time. This makes the cooker suitable for preparing dinner for the whole family. Of course, it is also possible to prepare smaller quantities of rice.

Features

- Ideal to make rice for sushi
- Stainless steel housing with indication lights
- Removable inner pan with a non-stick coating
- Glass lid
- Volume of 1 L and power of 400 W
- Boil-dry protection and keep warm function (70-75 °C)
- Supplied with measuring cup and spoon
