SmartLife Wireless Camera System

Additional camera | Full HD 1080p | IP65 | Night vision | White

Brand: Nedis | Article number: SLNVR01CWT | Product EAN number: 5412810336302

Inner Carton EAN: 5412810399369 | Outer Carton EAN: 5412810398263

Expand your NVR Security set (SLNVR201CWT) with this additional camera up to a maximum of 8 cameras per base station. This Full HD 1080p camera is DC-powered with included 12V adapter, but the communication to the base station is wireless. Each camera also functions as a signal repeater between the base station and the other camera to enable up to 200 metres distance between the furthest camera and the base station, when using a maximum of 4 cameras in total. The camera supports night vision thanks to the 9 infrared LEDs, 2-way audio with the integrated microphone and speaker, and are IP65 waterproof.

Features

- Wireless connection between base station and cameras for easy installation
- Cameras are Full HD 1080p and support night vision as well as 2-way audio to both listen and speak through cameras
- Extend the SLNVR201CWT security set up to a total of 8 cameras
