Nedis Cordless Floor Cleaner is the quick and easy way to mop your floors at home. This electric mop is easy to use and works on a battery. Handy, because you do not necessarily need a power outlet and there is no cord in the way during mopping. You clean your floor for 60 minutes on a fully charged battery.

The dual-water tank system guarantees that the dirty and fresh water are never mixed and only fresh water is fed onto the rollers. You can also add soap to remove the more stubborn dirt. The dirty-water tank can be taken out with only one click and easily and quickly emptied.
