Use this powerbank with 20,000 mAh capacity at home, in the office or when you are travelling to charge two devices simultaneously. It supports 18W USB-C™ Power Delivery (PD) to fast charge your phone from 0-50% within 30 minutes and USB-C™ devices from 0-50% in around 36 minutes.

The convenient LED indicator reveals exactly how much power it has left, so you know when you may need to plug it in. There's enough power within to charge a smartphone up to eight times or a tablet up to three times.

The powerbank offers protection against overcharging, short circuiting and overheating.
