Experience next-level comfort and productivity with this Nedis Wireless Keyboard and Mouse combo. A clean desk and no tangled cables, since this combination does not contain a cord and has a range of up to 10 metres, thanks to the USB nano receiver. In addition to the compact design of the set, this provides great working flexibility.

The mouse has 3 different sensitivity settings for optimal use for every occasion. Fly through documents and web pages with hyper-fast scrolling - and type quietly and efficiently on the full-size keyboard. With the 12 carefully crafted multimedia keys on the standard chocolate QWERTY keyboard, you can change volume, start your favourite music and use it for numerous other functions.

Features

- Nano USB receiver (can be stored inside the mouse)
- Connection distance of up to 10 meters
