Digital Audio Switch

2-way | Connection input: DC Power / 2x TosLink | Connection output: TosLink Female | Manual / Switch | Metal | Black

Brand: Nedis | Article number: ASWI2512BK | Product EAN number: 5412810403776

Inner Carton EAN: | Outer Carton EAN: 5412810444076

This Nedis 2-way TosLink switch is designed for the audio signal selection between 2 digital optical inputs to 1 output, using TosLink (optical) cables. The optical fibre cable maximum supported length is 5.0 m, while it still provides reliable and lossless audio signal transmission. This means that all original data on your devices is preserved.

The compact design of the product provides convenient storage and ensures that the product blends in in your interior. You don't need to be an electrician to either install or operate this 2-way TosLink switch, since this equipment is extremely easy in use. Therefore, this is an ideal product for either home or professional audio switching.

Features

- Supports S/PDIF standard of digital audio transmission
- Supports uncompressed 2-channel LCPM audio signal
- Supports compressed 2-channel and multi-channel Dolby and DTS audio signal
- Provides electromagnetic-noise-free transmission
- Easy installation and operation
- Power adapter: 5 V DC / 1 A
