HDMI™ Converter

USB-C™ Female / 2x HDMI™ Input / 4x USB A Female | 1x HDMI™ Output | 1-way | 4K@60Hz | 18 Gbps | ABS | Anthracite

Brand: Nedis | Article number: VCON6430AT | Product EAN number: 5412810404698

Inner Carton EAN: 5412810404704 | Outer Carton EAN: 5412810413607

This Nedis 3-port 4K USB-C/HDMI™ switch allows you to share the screen of your computer, laptop, tablet or mobile phone with others. The switch supports and combines every possibility a user could need for work and entertainment. It eliminates the hassle of searching for the connector on the back of the display.

The switch, which supports HDMI™ 2.0 and which is compatible with HDCP 2.2, can expand the HDMI™ connection of the display device to up to two HDMI™ inputs. Devices with a USB-C™ connection can also be connected, because in addition to the two HDMI™ inputs, there is also a USB-C™ port. This enables the connection of smartphones or tablets in particular.
