Nedis.com

This Nedis USB 2.0 Bluetooth® 5.1 mini dongle enables wireless communication or data transfer, for example between two PCs or a PC and a mobile phone or network. Installation is only a matter of Plug & Play. This dongle has a range of up to 20 metres, supports Bluetooth® voice data, and is ideal to use in combination with a notebook thanks to the small design and low energy usage. The dongle can be used for a variety of functions, such as data upload and download from, for instance, your smartphone, tablet or notebook.

Features

- Bluetooth® version: 5.1
- Plug & Play
- Wirelessly exchange data with other Bluetooth® devices
- Exchange photos between your mobile phone and your computer
- Can support up to 7 Bluetooth® devices
- Transmission distance: Class 2 up to 20 metres
- Works with several devices like keyboards, mice, mobile phones, tablets, notebooks, printers, speakers, headsets, game controllers
