Barcode Scanner

Laser | Wireless | 1D Linear | Battery Powered / USB Powered | USB Dongle

Brand: Nedis | Article number: BSCNW1D100BK | Product EAN number: 5412810405824
Inner Carton EAN: 5412810405848 | Outer Carton EAN: 5412810405855

Nedis.com

This Nedis wireless laser barcode scanner provides an accurate, easy and fast solution for data entry and storage. Operating parameters are easy to program by scanning the barcodes in the manual; settings are retained after the device is powered off.

With its ergonomic build made of solid materials, this barcode scanner is designed for high-volume scanning and heavy use.

Features
- With the laser technology you can scan barcodes even in bright light situations
- Wireless operating distance of up to 50 metres
- It can scan up to 300 times per second
- With the built-in battery you can scan up to 15,000 times on one charge
- The scanner works with all common operating systems like Windows, MAC OS and Android
- Can be used both wired as wirelessly with the included charging/data cable
