With this Nedis party wok set, you can enjoy a delicious wok evening with family or friends in the comfort of your own home. Thanks to the six small pans, everyone can prepare their own wok dish at the table.

The pans have a non-stick coating so food does not burn and they are easy to clean. You can also use the set without the pans to make small pancakes. Simply use the measuring spoon supplied to pour the batter onto the plate.

The integrated thermostat control with indicator light turns red when the ideal baking temperature is reached. The non-slip rubber feet make sure that the wok set stands stably on the table.
