Wireless HDMI™ Transmitter

Wi-Fi | 2400-5000 MHz | 30.0 m (line of sight) | Maximum resolution: Full HD 1080p | 1.65 Gbps | ABS | Grey

Brand: Nedis | Article number: VTRA3460GY | Product EAN number: 5412810410668

Inner Carton EAN: 5412810411535 | Outer Carton EAN: 5412810411542

This Nedis Wireless HDMI™ extender offers wireless HDMI™ signal transmission of connected audio/video equipment to a TV or beamer up to a distance of 30 metres. The HDMI™ signal even passes through walls and ceilings. Ideal when a cabled connection is not possible or when you don't want to pull a cable connection. With the wireless extender you can have a TV signal anywhere in the house without having a television connection at this location.

This makes it very easy to watch television in the bedroom, or place your television anywhere you want without considering the availability of a TV connection.
