Inner Carton EAN: 54 128104 12211 | Outer Carton EAN: 54 128104 12228

This powerful and fashionable Nedis stereo sound set brings every gaming experience to the next level. The set consists of a 2.0 system with two satellite speakers, which is the most popular option for desktop PCs. Speakers to the left and right of the monitor offer high-quality stereo sound. The speakers also have built-in RGB illumination with 6 light effect modes, suitable for every game setting. The light setting can be changed via touch control on top of the speaker.

Features

- Up to 18 Watt output power to upgrade your gaming experience
- Powered via USB
- Easy access volume control on the front
- 6 light effect modes via touch control
- Frequency response: 150 Hz - 20 KHz, to ensure that you do not miss a note
- The included 3.5 mm connector cable connects the set to any PC
