Nedis.com

This Nedis DAB+ / FM radio with Bluetooth® connection covers all the pros of digital radio, such as interference-free audio quality, a very large number of available channels and easy navigating through a names list to find certain stations. The radio can store up to 40 preset stations (20 DAB+, 20 FM) so store your favourite ones straight away.

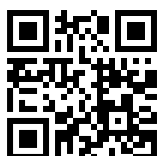

This table radio combines a stylish design and a sleek-design panel, blending into every interior. It has a built-in battery for music on the move. The AUX input in combination with the USB and headphones output and integrated alarm/timer function make it a multifunctional radio.

Features

- Digital DAB+ or FM radio - for a wide selection of stations and the best reception quality
- Bluetooth® function - to select the music of your choice via a Bluetooth® device
- 24 W peak power - providing a perfect sound to quality
- Control buttons – for volume adjustment, tuning, presets, info/menu, alarm/timer and switch modes
- 40 pre-sets (20 DAB+, 20 FM) - to have your favourite stations at your disposal
- Full-colour TFT display - shows relevant info
