This Nedis RGB Bluetooth® speaker is a 2.0 channel 16 W wireless speaker that delivers great rich sound and is incredible lightweight and portable. You can boost the party with the dynamic flashing RGB LED lights at the front which can also be switched off. The wireless speaker has a premium design with a metal grill. Thanks to the IPX6 protection rating, this wireless speaker is also an ideal speaker for outdoor activities like a party at the beach, a pool party and to take it with you to the water or on a boat.
