PC Headset

Over-Ear | Stereo | USB Type-A / USB Type-C™ | Fold-Away Microphone | Black

Brand: Nedis | Article number: CHSTU210BK | Product EAN number: 5412810418565

Inner Carton EAN: 5412810418633 | Outer Carton EAN: 5412810418640

The over-ear PC USB headset is compact and comfortable – with soft ear pads and an adjustable headband so you can stay productive, efficient, and comfortable during long online meetings. It has an adjustable microphone with clear, digital speech and audio quality. The 1.8m long cable provides you with freedom to move, while inline controls allow easy adjustment of volume and microphone mute settings.

It has a USB-C connection and is supplied with a USB-C to USB-A adapter so you can connect it to almost any PC, laptop or even to a smartphone. The headset is also compatible with the most frequently used programs such as Teams, Zoom, and Google Meet.

Features

- Over-ear design with adjustable headband and comfortable soft earpads
- Suitable for almost any laptop, PC, tablet or smartphone
- Sensitive microphone with flexible design for clear speech quality
- With in-Line remote control and extra long 1.8 meter cable
- USB-C connection including adapter for use with USB-A port
