Use this powerbank with 30,000 mAh capacity at home, in the office or when you are travelling to charge two devices simultaneously. It supports 20W USB-C™ Power Delivery (PD) to fast charge your phone from 0-50% within 30 minutes and USB-A devices from 0-50% in around 36 minutes.

The convenient LED indicator reveals exactly how much power it has left, so you know when you may need to recharge. There's enough power when full to charge a smartphone up to twelve times or a tablet up to four times.

The Powerbank offers protection against overcharging, short circuiting and overheating.
