This Nedis RGB Bluetooth® speaker is a 2.0 channel 18 W wireless speaker delivers a great rich sound thanks to the tilted design. It is lightweight and portable and you can boost the party with the large dynamic flashing RGB LED lights. These can also be switched off if desired

This speaker allows you to enjoy your favourite tracks or radio station direct from your smartphone or tablet via Bluetooth®. You can also use the AUX-IN connection to connect to an external device. This speaker has a True Wireless Stereo function (TWS) allowing you to pair up 2 of these speakers to give you a real party feel. It has a built-in microphone to make hands-free phone calls.
