Brand: Nedis | Article number: WIFILCS10WT | Product EAN number: 5412810419401

Inner Carton EAN: 5412810419487 | Outer Carton EAN: 5412810419470

Take control of your lights with this smart LED built-in downlight spot that connects directly to your wireless/Wi-Fi router to offer remote control as part of your home automation system. You can control the smart downlight spot colour and brightness with the Nedis SmartLife app or link the spotlight to Google Home or Amazon Alexa to operate with your voice. From cosy to active: choose exactly the warm or cool white colour temperature that matches your activities, e.g. warm white for a relaxed evening or daylight for cooking.

Thanks to the timer function, you can create time schedules for the lights to switch it on or off or create smart scenarios in an instant by pairing this spot to other products from the Nedis SmartLife range.

Features

- Plug & play: connects directly with your Wi-Fi
- Adjustable beam angle up to 60 degrees
- Easy assembly, no screws required
- Install as many spots as you want thanks to the Loop in - loop out technology
- Control the bulb's brightness - 2700-6500K
- Use the Nedis® SmartLife app to set timings for switching on/off automatically
- Supports voice control - in combination with Amazon Alexa or Google Home
