This stylish kettle has a 1.0-liter capacity and thanks to the powerful performance of the 1200 W, you will have your tea ready in no time. The black finish makes this kettle a stylish, durable, and easy-to-clean and a great addition to your kitchen. The kettle has a double-wall housing which maintains the temperature of the water longer.

The 360° base makes the kettle suitable for both left or right-handed people. The kettle is detachable from the base so filling and pouring is easier. The large lid and the concealed heating element makes cleaning easier.

When the water boils, the jug kettle automatically shuts off and has boil-dry protection.
