Nedis.com

This Nedis RGB Bluetooth® party boombox is a 2.1 channel 120 W wireless speaker with built-in 5" subwoofer that delivers strong and pure sound with a rich deep bass. To make the party complete it has integrated RGB LED lights which change from colour. These can be switched off.

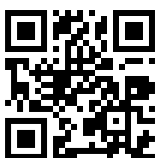

This boombox allows you to enjoy your favourite music from your smartphone or tablet via Bluetooth®. You can also use the AUX connection connected to an external device to play music. The TWS function allows pairing of 2 of these boomboxes for True Wireless Stereo.
