The Nedis bagless cyclone vacuum Cleaner is a compact and lightweight model for the modern home. It boasts an impressive suction power of 17.5kPa and a power output of 700 watts. The eco-motor operates at less than 76 dB which makes it more quietly than traditional motors.

Equipped with a spacious 3-litre dust container which is incredibly easy to empty and clean, eliminating the hassle of dealing with messy bags. The HEPA 13 filter removes 99.95% of dust particles and allergens from the air. The power cable of 6m allows a seamless cleaning with a 8.5m action radius which covers large living areas without having to unplug, for total comfort and convenience.
