SmartLife Floodlight

Motion Sensor | 1620 lm | Wi-Fi | 20 W | Warm to Cool White | 3000 - 6500 K | Aluminium | Android™ / IOS

Brand: Nedis | Article number: WIFILOFS21FBK | Product EAN number: 5412810467242

Inner Carton EAN: | Outer Carton EAN: 5412810470129

The smart Wi-Fi LED outdoor floodlight (20 Watt) with motion sensor for wall mounting has a light output of 1500 lumen, which makes it ideal for automatic illumination of entrance areas, driveways or carports. Thanks to its sensor with a detection angle of 120°, the floodlight can be activated automatically when it detects motion up to a distance of 8 meters.

This floodlight is resistant to rain with its splashproof housing (IP44) and works in temperatures ranging from -25 to 50 °C. The handy mounting bracket ensures that you can determine the right angle yourself.

Easy to set up
