

**SmartLife Climate Sensor | Zigbee 3.0 | Battery Powered | Android™ / IOS | White**

**Product specifications ZBSC10WT:**

|                               |                  |                          |                      |
|-------------------------------|------------------|--------------------------|----------------------|
| App available for             | Android™<br>IOS  | Transmit frequency range | 2400 - 2483.5<br>MHz |
| Batteries included            | Yes              |                          |                      |
| Battery type                  | CR2450           |                          |                      |
| Colour                        | White            |                          |                      |
| Compatible with               | Nedis® SmartLife |                          |                      |
| Input voltage                 | 3 V DC           |                          |                      |
| Material                      | Plastic          |                          |                      |
| Maximum transmit antenna gain | 0 dBi            |                          |                      |
| Maximum transmit power        | 10 dBm           |                          |                      |
| Number of products in package | 1 pcs            |                          |                      |
| Operating temperature range   | 0 - 40 °C        |                          |                      |
| Power source type             | Battery Powered  |                          |                      |
| Required batteries (included) | 1x CR2450        |                          |                      |
| SmartLife                     | Yes              |                          |                      |
| Supported wireless technology | Zigbee 3.0       |                          |                      |

**Packaging information:**

|                    |                                     |
|--------------------|-------------------------------------|
