

SmartLife Motion Sensor | Zigbee 3.0 | Battery Powered | IP20 | Detector angle: 120 ° | Detector range: 5 m | Max. battery life: 12 Months | White

Product specifications ZBSM10WT:

|                               |                  |                               |                 |
|-------------------------------|------------------|-------------------------------|-----------------|
| App available for             | Android™         | Number of products in package | 1 pcs           |
|                               | IOS              | Operating temperature range   | 0 - 40 °C       |
| Battery type                  | CR2450           | Power plug                    | USB             |
| Colour                        | White            | Power source type             | Battery Powered |
| Compatible with               | Nedis® SmartLife | Required batteries (included) | 1x CR2450       |
| Control through mobile app    | Yes              | Sensor technology             | PIR             |
| Detector angle                | 120 °            | SmartLife                     | Yes             |
| Detector range                | 5 m              | Supported wireless technology | Zigbee 3.0      |
| Diameter                      | 46 mm            | Temperature range             | 0 - 40 °C       |
| Input current                 | 0.01 A           | Transmit frequency range      | 2405 - 2480 MHz |
| Input voltage                 | 3 V DC           |                               |                 |
| IP rating                     | IP20             |                               |                 |
| Material                      | Plastic          |                               |                 |
| Max. battery life             | 12 Months        |                               |                 |
| Maximum power consumption     | 0.065 W          |                               |                 |
| Maximum transmit antenna gain | 2.8 dBi          |                               |                 |
| Maximum transmit power        | 10 dBm           |                               |                 |
