

Alarm clock with wireless charging | Qi certified | 5 / 7.5 / 10 W | USB-A Female | Night Light | 2 Alarm Times | Snooze function

Product specifications WCACQ10W1WT:

Batteries included	Yes		Purple
Colour	White		Red
Connection input	USB-C™ Female		White
Connection output	USB-A Female		Yellow
Display brightness control	Yes, 3 levels	Material	Plastic
Display colour	Light Yellow		Silicone
Including cable	Yes	Maximum transmit power	-10.33 dBμA/m @ 10m
Input current	1.67 A	Number of alarmtimes	2 Alarm Times
	2 A	Number of products in package	1 pcs
Input voltage	5 V DC	Output current	1.0 A
	9 V DC		1.1 A
Lamp type	Night Light	Output power	10 W
LED-indicator in use	Yes		5 W
Light colour	Blue		7.5 W
	Green	Output voltage	5 V DC
	Light Blue		9 V DC
	Light Green	Power cable length	1.00 m

Brand	Nedis			
Order code	WCACQ10W1WT			
Power cable side A	USB-A			
EAN single Product	5412810329304			
Power cable side B	USB-C™			
EAN Inner Carton	5412810395439			
EAN Outer Carton	5412810381302			
Power source type	Giftbox	USB Powered		
Package contents	Alarm clock			
Quick charge feature	Quick start guide			
Required batteries (included)	1x CR2032			
Safety functions	FOD			
Quantity	L x	W x	H (mm)	Weight
1	115 mm	175 mm	145 mm	374 g
4	240 mm	160 mm	350 mm	1650 g
16	370 mm	340 mm	495 mm	7280 g
	Over Current Protection			
	Over Voltage Protection			
	Overheat Protection			
	Short Circuit Protection			
	Under Voltage			
SmartLife	No			
Snooze function	Yes			
Transmit frequency range	110 - 205 MHz
