

Power Inverter Pure Sine Wave | Input voltage: 24 V DC | Device power output connection(s): Type E (CEE 7/5) / USB-A / USB-C™ | 230 V AC 50 Hz | 1000 W | Peak power output: 2000 W

Product specifications PIP100024EBK:

|                                   |                  |                           |                                   |                           |     |
|-----------------------------------|------------------|---------------------------|-----------------------------------|---------------------------|-----|
| Colour                            | Black            | Peak power output         | 2000 W                            | Works with remote control | Yes |
| Device power output connection(s) | Type E (CEE 7/5) | Power cable length        | 0.80 m                            |                           |     |
|                                   | USB-A            | Power plug                | Screw Terminal                    |                           |     |
|                                   | USB-C™           | Power source type         | Car Powered                       |                           |     |
| Efficiency                        | 85 %             | Safety functions          | Overheat Protection               |                           |     |
| Fuse                              | Yes              |                           | Overload Protection               |                           |     |
| Input type                        | Screw Terminal   |                           | Short-Circuit Protection          |                           |     |
| Input voltage                     | 24 V DC          |                           | Too High Input Voltage Protection |                           |     |
| Material                          | Aluminium        |                           | Too Low Input Voltage Protection  |                           |     |
| Maximum power consumption         | 2000 W           | SmartLife                 | No                                |                           |     |
| Number of outputs                 | 4                | Total number of USB ports | 2                                 |                           |     |
| Number of products in package     | 1 pcs            |                           |                                   |                           |     |
| Output power                      | 1000 W           |                           |                                   |                           |     |
| Output voltage                    | 230 V AC 50 Hz   |                           |                                   |                           |     |
| Output waveform                   | Pure Sine Wave   |                           |                                   |                           |     |
