Set the light to your mood with this Dimmable LED Table Lamp with Touch Control. Simply touch the lamp to turn it on and to alter the light from a cosy, warm light to a natural light effect or to a cool light for getting down to business.

The rotating head of this lamp allows you to position the light exactly where you need it and the strength of the light can be dimmed by pressing the control button for a longer period.

A handy timer function allows you to set the lamp to go off automatically after 40 minutes to help save energy.
