This stylish, powerful Nedis Electric Kettle works just as good as it looks: it has a generous 1.7 litre capacity, is quick to boil, and it is designed to minimize any limescale build-up. Combining stainless steel, wood and rubber paint finishing makes our kettle a stylish, durable and easy-to-clean addition to your kitchen. It is designed to hold enough water for six to eight cups every time it's boiled, so no-one should be left for too long without their tea or coffee.
