Maximum resolution: 480x272 | 2-way communication | Mains Powered | White

Brand: Nedis | Article number: DOORP15CWT | Product EAN number: 5412810293605

Inner Carton EAN: | Outer Carton EAN:

See who is calling at any time, day and night, with this Nedis 4.3" colour video door phone monitor.

It can be connected to any Nedis outdoor unit or TVL-CCTV camera to complete or expand your video door intercom system.

With real-time monitoring support it offers a hands-free two-way intercom and can be used in connection with your electronic lock release to remotely open your door or gate.

The modular system is expandable to a maximum of two outdoor units, four indoor monitors and eight cameras (two per monitor).

Features

- 4.3" colour video door phone monitor - so you can see who is calling at any time
- Real-time monitoring - with a hands-free two-way intercom
- Simple to connect to an electronic lock release - so you can open the door from wherever you are
- Easy to expand - to include two outdoor units, four indoor monitors and eight cameras
