SmartLife Indoor Camera

Wi-Fi | Full HD 1080p | Cloud Storage (optional) / microSD (not included) | With motion sensor | Night vision | White

Brand: Nedis | Article number: WIFICBI10WT | Product EAN number: 5412810314508

Inner Carton EAN: | Outer Carton EAN:

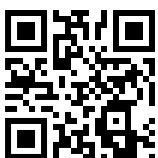

This Nedis rechargeable IP camera provides maximum flexibility since there's no need for a power socket anywhere nearby. Footage is recorded to MicroSD, making the camera completely wireless.

Charge it every five months, put it wherever you want and you're ready to use it as a security camera or keep a close eye on your sleeping child - simple as that.

This rechargeable IP camera has an integrated PIR sensor for accurate motion detection. If the sensor is triggered, the camera starts recording automatically, sending a push notification to your smartphone. Follow the live stream to both see and hear what's going on in your home. The app also allows you to speak with the person in the room directly, from wherever you are.

Features

- Rechargeable battery - no need for a nearby power socket
- Battery lifetime up to 5 months on a single charge
- Integrated PIR sensor for accurate motion detection
- Push notifications on your smartphone if motion is detected
- 2-way communication - for video images with sound support and talk-back function
