Brand: Nedis | Article number: TURN300BK | Product EAN number: 5412810314645

Inner Carton EAN: | Outer Carton EAN: 5412810385188

This Nedis turntable allows you to listen to your vinyl collection and convert it into digital music files directly from the device. The built-in speakers with 2x 9W peak power make it possible to just kick back and listen to your records with no complicated setup or hassle. Its brown finish makes it a great addition to any room and you can even connect the turntable to your home stereo system (using its RCA output) or wirelessly stream the music from another Bluetooth® device to the turntable. The belt drive turntable can play all of your vinyl collection, whether 33 1/3, 45, or 78 rpm.

Features

- Lightweight speaker - offering 9 W peak power output of crisp sound
- RCA line-out - for boosting the sound even further by adding external speakers
- Bluetooth® connection - to wirelessly stream music from another Bluetooth® devices to the turntable
- Transparent cover - to protect your turntable against dust, spills, scratches, water and other contaminants
- 3.5-mm AUX input - to listen to your favourite records with your headphones
