This stylish Nedis party cooler does not only look chill but it also cools bottles, cartons, and cans, efficiently and quietly for any occasion, including keeping barbecue foods fresh for the grill!

A split glass lid for easy access is mounted to the top, to give you a good view of the ice-cold contents inside, and the adjustable thermostat with LED display allows you to set an optimum temperature between 0°C to 16°C.

Its large 50 L capacity is supplemented by two handy wire baskets for easier access to drinks and food. The compact nature of the bar fridge also requires very little storage space.

Features

- Capacity 50 L - for 55 cans or 22 bottles
- Compressor cooling
- Adjustable temperature control: 0 - 16°C
- LED display – allows you to precisely control the temperature of the cooler
- Caster wheels with locks - to easily move the cooler around
- Two wire baskets for efficient and organised stacking
