Air Purifier

Suitable for space up to: 45 m² | Clean Air Delivery Rate (CADR): 360 m³/h | Air quality indicator | White

Brand: Nedis | Article number: AIPU300CWT | Product EAN number: 5412810319589

Inner Carton EAN: | Outer Carton EAN:

Nothing beats living or working in a clean home or office. However, even when a room looks spot on, the air quality might not be as good; dust and dirt particles floating through the air can be so small that you can't actually see them. Our Nedis air purifier with convenient timer offers the perfect solution.

This air purifier works with a HEPA filter, removing up to 99.99% of all particles of 0.3 micrometre or bigger, which includes pollen and dust mite. This means less dust and you will also suffer much less from your allergies. Additionally, this air purifier also removes odours and bad smells.

The purifier also features an onboard dust sensor which indicates the air quality so you know which one (of four) fan speeds to select.

Features

- Touch control panel with blue LED indication
- Dust sensor - measures and indicates the air quality
- 4-level fan speed and auto mode, based on dust sensor outcome
- Quiet night mode - for a good night's rest in clear air
- Works with HEPA filter - removes 99.99% of all dust and dirt particles $\geq 0.3 \mu\text{m}$
- Filter indicator - to replace the HEPA filter on time
- CADR: smoke 360 m³/h and a capacity of 45 m²
- 4 wheels - easy to move around
- Active carbon filter - removes odours
