Brand: Nedis | Article number: WIFILAC30WT | Product EAN number: 5412810320714

Inner Carton EAN: | Outer Carton EAN: 5412810382132

Determine the optimal colour temperature, light intensity and even colour to suit each moment. Do you need bright, energising lighting close to daylight to stay focussed during your late night study sessions? Or rather have a warm white glow to enhance a relaxed atmosphere during dinner? This Wi-Fi smart ceiling light provides the very right setting for every situation.

Control the light's brightness and colour temperature

Connect it up and you can now control the brightness using the Nedis SmartLife app on your smartphone or tablet, or with a simple voice command via Siri shortcuts, Amazon Alexa or Google Home.

Same goes for the colour temperature.
