LED Lamp with Wireless Charger

Dimmer - On Product | Qi | 10 W | With dimming | Warm White | 3000 K

Brand: Nedis | Article number: LTLQ10W1WT | Product EAN number: 5412810322046

Inner Carton EAN: | Outer Carton EAN: 5412810380855

This Nedis Qi fast charger works wirelessly. Just pop your smartphone on the pad. Super convenient since there's no tear and wear that comes with (dis)connecting cables - or worry about having the right cable around. You can even leave your smartphone in its cover with this Qi charger being case-friendly.

And, to make life easier, we integrated a night light which puts an end to searching for your smartphone in the dark. The soft-touch LED lamp is dimmable and if switched off, stores the last setting.

The charger has a LED indicator so you know your smartphone is actually charging but it's very small and placed discretely so it won't get in the way of a good night's sleep.

Features

- Incorporates fast charging - use on of the following power adapters: DC 5 V ~ 2 A, DC 9 V ~ 1.8 A, QC3.0 or PD
- Dimmable LED lamp - stores the last setting
- Unobtrusive indicator LED - shows the device is in use
- Case-friendly - charge your phone without removing its cover
- Anti-slip bottom - keeps the charger in place
