With this solid-build Nedis electric citrus press you can make yourself some fresh-squeezed orange juice fast and easy.

Powerful motor

Thanks to its extra powerful, efficient 160 W motor, you'll squeeze every last drop of juice. The large, anti-slip handle works as a lever so you hardly have to put in any effort. What's more: the cone integrates two sizes which allows you to press both small and large citrus fruits, for just about anything from limes to grapefruit.

Clean & efficient
