This Nedis® single-serve coffee maker fits tight morning schedules just perfect.

Each round serves enough coffee to fill up the included travel mug. You don't waste time with pouring coffee from regular cups or coffee jug into your on-the-go mug, minimising the dishes as well.

Set the timer for even more efficiency and have your coffee ready by the time you're leaving home. Just pop on the lid and off you go.

And no worries if you forgot to turn off the coffee maker; it switches off automatically after a period of inactivity.

Features

- Automatic switch off - safe and energy efficient
