Inner Carton EAN: | Outer Carton EAN: 5412810380077

Nedis.com

This Nedis conference microphone is super convenient for facilitating skype business meetings and telcons. Or use it during a gaming night with friends to enable voice chat and on many more occasions.

Plug, play, present

The microphone provides high-quality recordings and picks up sound very clearly within a range of 3 metres; you can move freely without having to approach or move the mic. Simply connect the microphone to a USB port in your notebook or PC and get started - no additional drivers or external power adapter required.

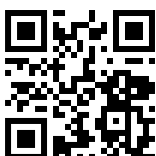

Discrete
