This E27 retro deco G125 (Ø 12.5 cm) bulb with amber gold-finished glass features a plexiglass tube with a laser-generated pattern that reflects the light and creates a stunning effect. The LED at the bottom of the bulb runs on only 4 watts. The lightbulb features a removable outer glass bulb, which can be replaced by bulbs of different shapes. The bulb creates a distinctive vintage atmosphere. It is ideally suited for open fixtures, chandeliers and as solo bulb. The outer bulb is entirely made of glass. With a luminous intensity of 120 lumens and a colour temperature of 1800 K, the lamp provides a warm white light. The amber-gold glass enhances the lamp's distinguishing design, ensuring a pleasant light distribution.
