SmartLife Gateway

Zigbee 3.0 | 40 Devices | USB Powered | Android™ / IOS | White

Brand: Nedis | Article number: WIFIZB10WT | Product EAN number: 5412810327904

Inner Carton EAN: 5412810395897 | Outer Carton EAN: 5412810381845

This gateway will connect directly to Wi-Fi so no ethernet cable is required. Install it in the Nedis SmartLife application and connect up to 40 Nedis Zigbee products (ZBxxx) to a single gateway. Each connected product will appear in the Nedis SmartLife application and can be included in automations as if it is directly connected to Wi-Fi.

Zigbee is an alternative protocol to Wi-Fi with low power consumption as the main advantage. This enables small wireless sensors to remain functional up to multiple years on a single battery.

Features

- Connect up to 40 Zigbee products to a single Zigbee gateway
- Zigbee supports instant communication with minimal battery usage
- Integrate this Zigbee gateway into the SmartLife app to combine Nedis® Zigbee products to any SmartLife product
