Doorstep Window Alarm

Battery Powered | 1x CR123A | 85 dB | Black / Grey

Brand: Nedis | Article number: ALRMDW20BK | Product EAN number: 54 12810329021

Inner Carton EAN: | Outer Carton EAN: 54 12810378722

This multifunctional Nedis doorstep has a built-in (85 dB) siren which goes off when water reaches the sensor on top of the doorstep or if someone enters/ exits the room unauthorised. The doorstep can be used on every door and in every room, but is most suitable for laundry rooms, bathrooms, kitchens or any other room where there is a chance of water flooding and leaking.

Home Security

The alarm can be used as a home security device. Place the doorstep on the ground in front of the door and when the door is opened and it touches the alarm will go off. 85 dB belongs to "Unbearable Noise" and will surely wake up you, any other resident, the neighbours or instantly scare the intruder away.

Intelligent Water Leak Sensor
