Dash Cam

1080p@30fps | 12.0 MPixel | 2.7 " | LCD | Parking sensor | Motion detection | Dark Grey

Brand: Nedis | Article number: DCAM11BK | Product EAN number: 5412810329380

Inner Carton EAN: | Outer Carton EAN: 5412810382620

This Nedis dash cam records your car journeys in Full HD 1080p quality, which allows you to watch them later in clear detail. The dash cam features a 2.7-inch LCD screen and a 120-degree wide-angle lens. The cam works with a microSD memory card up to 32 GB and records in a loop, which means that when the memory card is full, it overwrites the previously recorded files. It will start and stop recording as you start and stop the engine and the motion detection ensures that the camera only records when there is movement in the field of view.
