SmartLife Remote Control

Zigbee 3.0 | Number of buttons: 4 | Android™ / IOS | White

Brand: Nedis | Article number: ZBRC10WT | Product EAN number: 5412810330997

Inner Carton EAN: | Outer Carton EAN: 5412810381913

Connect this remote control with SmartLife through a Zigbee gateway (WIFIZBxxx) to have full control over your entire Smart Home without even touching your phone.

Each button can be programmed to control any number of Nedis SmartLife products, not only switch them on/off, but also to set a predefined brightness or even to start a full scenario or enable or disable an automation. Each button can even be programmed to act differently depending on the time of day or day in the week.

So whether you want to use this remote to control your alarm, your smart bulb or your Air conditioner, as long as it is controllable within the Nedis SmartLife application, you can control it with this remote control.

Features

- Control any Nedis SmartLife device by connecting this remote control to your Nedis ZigBee gateway.
- 4 buttons which can be programmed
- Battery included with lifetime of 1 year (average use)
- Instant response, no noticeable delay
- Option to set different programs for different periods
- Zigbee devices need a Zigbee gateway (WIFIZBxxx) to work with the Nedis SmartLife app
