Capture all the action from a unique perspective!

Our Nedis action camera is so lightweight it can attach it to nearly anything, thanks to its included mounts.

You won't even notice its presence... until you watch the footage it has captured in razor-sharp Full HD image quality.

Whatever the action, you can immerse yourself in the thrill of the moment, time and time again.

And this action camera hardly ever stops rolling. Store your recordings on microSD cards of up to 32 GB, and keep recording every second of your outdoor activities, underwater adventures and extreme sports.

Features

- Large 2" TFT screen so you can watch the action as you record it
- Built-in microphone for added atmosphere on playback
- Supports up to 32 GB MicroSD memory card for when the action never stops
- Mounting kit to attach the camera to nearly anything
- Sturdy housing waterproof up to 30 m
- Can also be used as a webcam
