This Nedis stand fan is really an addition to any interior with its contemporary design. The large blades are generating a refreshing breeze. You can easily adjust the rotation speed of the powerful 3-speed motor with the touch sensitive buttons or via the remote control. With the oscillation function and adjustable tilt head, you can distribute and target the breeze in any desired direction and angle. Set the timer to shut off on its own after 0.5 - 7.5 hours.

It even has a build-in thermometer!
