# Preamplifier

**Connection input: 1x RCA | Connection output: 1x RCA | 2 Channels |  
Phono / Turntable | Automatic | Black**

Brand: Nedis | Article number: AAMP2411BK | Product EAN number: 5412810333233

Inner Carton EAN: | Outer Carton EAN: 5412810382958

This Nedis pre-amplifier is ideal if you want to connect a (second) record player to an audio system or external speakers. To amplify music from your vinyl via your audio system or external speakers it requires a signal boost which this pre-amplifier delivers. It amplifies the turntable signal to a higher level so that it can be received by an audio system or external speakers. Easily connect it to your turntable via the RCA input and via the RCA output to your audio system or speakers.

## Features

- Connect the pre-amplifier to a (second) record player - for connecting it to an audio system or external speakers
- Delivers a signal boost - for levelling the signal with your audio system or speakers
- Gold-plated RCA input and output - for optimal sound transmission
- Stylish metal and compact design - easy to take with you
- Power switch - for easy turning it on or off
- LED indicator - shows if the device is powered on
- Including power adapter
