Light up your gaming with this kit's gaming keyboard with red, blue and green LED illumination. The backlit Italian keyboard provides enough light to play in dark conditions and its gaming-optimized design makes it ideal for beginners and pros alike. Thanks to its anti-ghosting technology you're ensured you can game fast and accurately. You can remain in control even when you press up to 26 keys simultaneously.

Treat your ears to incredible comfort while gaming with this kit's Stereo Headset. It has ultra-soft ear pads, a padded, flexible headband, and an adjustable microphone that captures your voice with crystal-clear clarity.
